

December Meeting Planned

The final OSTMA meeting of the year will again be held at the Missouri Sports Hall of Fame on December 2 at 11:30 a.m. Our guest speaker this year will be Bill Ingemi. Bill is a certified athletic trainer and the Health and Wellness Coordinator for the Springfield-Greene County Park Board.

The menu will include baked lasagna, green beans Almondine, Caesar salad, and carrot cake. The food is always fantastic which is probably why this is our most well attended meeting. As we have done in the past, lunch will be provided WITH your 2010 membership dues being paid that day. If you choose not to renew your membership (or join) that day, lunch will be \$15.00.

This annual meeting is also important as it is when we elect the officers and board for the upcoming year. Please make this meeting a priority for the future of OSTMA.

Finally, you will want to take time to network with other OSTMA members and share experiences, both good and bad, from this past year. I would also like to encourage everyone to invite someone that might benefit from joining OSTMA.

Please RSVP to Brock Phipps @ 417-862-6974 by Wednesday, November 25 so we can have an idea of how many will be in attendance.

Directions:

Just east of Hwy 65 on Hwy 60 at the entrance to Highland Springs Country Club.

Things To Do

RSVP to Brock

Enjoy Thanksgiving

Make reservations in St. Charles

Blow out your irrigation

Begin Christmas shopping

Attend Green Industry Conference

Watch LOTS of bowl games

History Made in Hollister

Hollister High School played their first ever varsity football game this season. Greg Hunn did a fantastic job of preparing the field for this historic event.

It's Not Too Late....

It's not too late to sign up to attend the Missouri Green Industry Conference. It is in St. Charles, Missouri on December 8-9, 2009. It is a cooperative effort by MoTOC, the Gateway STMA, and the Gateway Irrigation Association to provide excellent educational opportunities for people in the green industry. Visit www.MoTOC.org for conference information.
